About Lusomé

Lusomé is a beautifully designed sleepwear brand that uses the most innovative moisture management technology. Lusomé with Xirotext™ provides women with revolutionary moisture management.

Night-sweats: 80% of all women suffer at some point, for an average of 7 years, starting as young as mid-30's.

- Expertly engineered for ultimate comfort
- Proven in-lab tests, and customer wear trials
 - Luxurious soft knit
 - No fading, no shrinking

Lusomé Luxe powered by Xirotext™

Lusomé commissioned this innovative new technology from the world's leading producer of activewear fabrics.

Xirotext™ moves moisture and bacteria away from the body through a combination of its innovative capillary structure and dual-layer fabric construction.

Lusomé Luxe fabric is composed of 38% Cotton, 34% Poly, 25% Micromodal, 3% Lycra (Solid colours) and 65% Micromodal, 30% Polyester, 5% Lycra (Melanges)

Lusomé Everyday

Discover best-in-class moisture management technology with Lusomé Everyday.

Leveraging the science and technology behind its Luxe Collection, Lusomé's Everyday line offers moderate moisture management capabilities to the far reaching market of women in search of night sweat relief, comfort and style at a reasonable price point.

The Everyday line offers a range of timeless silhouettes to flatter every figure and provide maximum comfort in the process.

With 80% of women bound to experience night sweats at some point in their lives due to pregnancy, medical treatment, menopause or chronic conditions, we are determined that everyone should have access to beautiful sleepwear that delivers on its promise to provide instant relief from night sweats. The Everyday line offers women affordable prices without compromising on Lusomé's quality or design.

Lusomé Everyday fabric is composed of 61% Cotton, 34% Polyester, 5% Spandex (All colors)
